Our Vietnam based software team has expertise covering the following key areas:

- Microsoft Licensing, configuration and support
- Specialist Software Solutions Development (including various web applications, Content Management Systems (CMS), etc.)
- Enterprise Resource Planning (ERP) systems
- Customer Relationship Management (CRM) systems
- Open Source Alternatives (Open Office, Linux, online systems).

Whether you need Microsoft licenses or you need help selecting the right ERP solution we can help!

Your goals can be reached, just give us a call. We are based in Ho Chi Minh City (old Saigon), Vietnam and located in Quang Trung Software City (QTSC).
